Parents,

Please, join us on Monday, September 10<sup>th</sup> at 9:00 a.m. in the Junior High library for an informational meeting to provide insight on the district and school's recent accountability ratings. Mrs. Dildine and I will be on hand to answer any questions you may have about the current state of the school and the direction we are going. Donuts and coffee will be provided.

I look forward to the opportunity to share with you the great things happening with your student at HSJHS.

Sincerely,

Rusty Duke  
Principal
